

Customer Experience Sales Associate:

(Part-time & Full-time Availability Multiple Locations)

Canada Computers is currently seeking seasoned sales associates with a drive to enhance the customer experience in our retail stores. As a sales associate you will have the ambition and energy to effectively and efficiently offer exceptional knowledgeable customer service within our retail stores. We are growing and have many opportunities for advancement to supervisor and management positions for our successful Sales Associates. Specifically, **YOU WILL BE ACCOUNTABLE FOR:**

- Providing informed sales and service to all customers by promoting our products and services
- Maximizing store sales by consistently delivering an exceptional customer experience
- Continually increasing your knowledge of products, services, promotions, events and store layout
- Assisting with store merchandising, returns, and ensure the store is safe, clean and well organized at all times
- Ensuring clients receive exceptional after sales service

YOU WILL POSSESS THE FOLLOWING COMPETENCIES & EXPERIENCE

- Passionate about customer service and computers/electronics.
- Excellent communication skills (verbal & written).
- Proven previous retail sales experience.
- Familiarity with computer parts and accessories.
- High energy and a proven ability to solve problems.
- Drive to move into more senior positions (i.e. Sr. customer experience sales associate, supervisor, or store manager).
- Strong MS office skills and experience working with customer databases, Inventory & POS systems.

INTERESTED & QUALIFIED APPLICANTS SHOULD SEND THEIR RESUME, COVER LETTER & A COPY OF THE EMPLOYMENT APPLICATION TO:

hr@canadacomputers.com referencing "Position" & "location" in subject line of e-mail. We thank all applicants for their interest, however, only those selected for an interview will be contacted.
